

The P.H.A.T. Returns Difference

- **Friendly, knowledgeable and relaxed staff:** All P.H.A.T. Returns staff have excellent communication skills, and know the right questions to ask so you get the best tax return possible
- **Specialists:** P.H.A.T. Returns only work with individuals (no companies, BAS, etc.) so our knowledge and expertise is focused on ensuring you claim the right tax deductions
- **Easy, Time-Saving and Convenient:** Most tax agents require you to come into their offices. You save time with P.H.A.T. Returns' over-the-phone consultations. We call you at home or in your office - wherever is convenient for you. We even do tax returns for Australians holidaying overseas.
